ABOUT THE EVENT

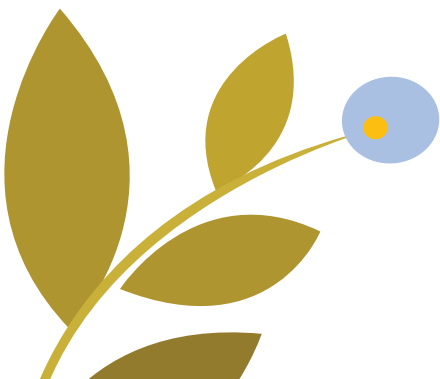

The Tulsa Health Department is proud to host the **9th Annual North Tulsa Community Baby Shower**, a event dedicated to celebrating and supporting expectant parents and caregivers of children under the age of one.

Each year, this event brings together families from across North Tulsa to receive essential infant care items, health education, and direct connections to local healthcare providers, parenting resources, and community support services. Our mission is to reduce infant mortality and promote healthy outcomes for both parents and babies.

Thanks to growing interest and participation, this year's event is moving to a larger venue, at the TCC Northeast- YMCA GYM. The expanded space will allow us to accommodate even more families in a comfortable, accessible, and welcoming space.

To fully meet the growing demand, we need your support. Your contribution will help fund key components of the baby shower. By supporting this event, you are helping strengthen community trust and improve mortality and outcomes. Join us to make this year's event the most impactful yet.

Thank you for considering being a part of this life-changing effort.
